Graphic Design student exploring UI/UX and product design through research, prototyping, and visual design.

experience.

UI/UX & Product Design

Curo App | Fall 2025

Designed a mobile app for currency conversion and live tracking of both traditional and crypto exchange rates. Focused on making financial data feel simple, accessible, and visually clear through branding, UI/UX, and motion design.

Public Art Installation

University Commission | Spring 2025

Co-created a university-commissioned installation focused on concept development, collaboration, and user interaction within a physical space.

Branding & Web Design Intern

Elevate | Spring 2022

Collaborated on developing branding assets and visual identity elements for Elevate to support a cohesive brand presence.

Branding & Web Design Intern

Leo Kids | Summer 2025

Designed branding and a website for Leo Kids, focusing on a cohesive visual identity and a simple, intuitive user experience.

skills.
